**PARENT’S SATISFACTION QUESTIONNAIRE**

**DINOSAUR PROGRAM**

The following questionnaire is part of our evaluation of the Dinosaur Social Skills program that your child has received. It is important that you answer as honestly as possible. The information obtained will help us to evaluate and continually improve the program we offer. Your cooperation is greatly appreciated. All responses will be strictly confidential.

### A. The Overall Program

Please circle the response that best expresses how you honestly feel.

1. The major problem(s) that originally prompted me to begin treatment for my child is (are) at this point

   - considerably worse
   - worse
   - slightly worse
   - same
   - slightly improved
   - improved
   - greatly improved

   - extremely difficult
   - difficult
   - somewhat neutral
   - somewhat easy
   - easy
   - extremely easy

### Usefulness

In this section, we’d like to get your ideas of how useful each of the following methods is. Please circle the response that most clearly describes your opinion.

1. Written readings for parents (chapters on play, praise, etc.)
   - extremely useless
   - not useful
   - somewhat useless
   - somewhat useful
   - useful
   - extremely useful

2. Homework assignments with child (e.g., rules, sticker charts, praising specific behaviors)
   - extremely useless
   - not useful
   - somewhat useless
   - somewhat useful
   - useful
   - extremely useful

3. Assignments for teachers (e.g., good behavior cards home)
   - extremely useless
   - not useful
   - somewhat useless
   - somewhat useful
   - useful
   - extremely useful

4. Dinosaur Homework for children
   - extremely useless
   - not useful
   - somewhat useless
   - somewhat useful
   - useful
   - extremely useful

5. Practicing skills at home (e.g., praise, problem-solving, Time Out)
   - extremely useless
   - not useful
   - somewhat useless
   - somewhat useful
   - useful
   - extremely useful

6. Involvement of my child’s teacher in the program
   - extremely useless
   - not useful
   - somewhat useless
   - somewhat useful
   - useful
   - extremely useful

   | I dislike | I dislike | I dislike | I have a | I like | I like | I like |

   | him/her | him/her | him/her | neutral | him/her | him/her | him/her |

   | very much | slightly | attitude | slightly | him/her | him/her | him/her |

4. Concerning my child’s feelings toward the therapist

   | dislikes | dislikes | dislikes | has a | likes | likes | likes |

   | him/her | him/her | him/her | neutral | him/her | him/her | him/her |

   | very much | slightly | attitude | slightly | him/her | him/her | him/her |

**Therapist 2 (Dinosaur Program)**

(name)

1. Concerning the therapist’s interest and concern in me and my child, I was

   | extremely dissatisfied | dissatisfied | somewhat neutral | somewhat satisfied | satisfied | extremely satisfied |

2. At this point, I feel that my child’s therapist in the treatment program was

   | extremely not helpful | not helpful | somewhat helpful | somewhat helpful | helpful | extremely helpful |

3. Concerning my personal feelings toward my child’s therapist

   | I dislike | I dislike | I dislike | I have a | I like | I like | I like |

   | him/her | him/her | him/her | neutral | him/her | him/her | him/her |

   | very much | slightly | attitude | slightly | him/her | him/her | him/her |

4. Concerning my child’s feelings toward the therapist

   | dislikes | dislikes | dislikes | has a | likes | likes | likes |

   | him/her | him/her | him/her | neutral | him/her | him/her | him/her |

   | very much | slightly | attitude | slightly | him/her | him/her | him/her |
**D. Your Opinion Please**

In this section we’d like to get your ideas, and your child’s, about the program.

1. What part of the Dinosaur program was most helpful to your child?

2. What did your child like most about the Dinosaur School?

3. What did you like least about the Dinosaur training program?

4. How could the program have been improved to help you more?

5. During the time you were in this program did you receive any other type of treatment for yourself or your child?

6. At this time do you feel the need for additional individual or group therapy? Please elaborate.
