Programs 5, 6 & 7 Agendas and Checklists for Each Session

The content covered in each session needs to be paced according to each parent groups' particular needs for discussion and content, level of participation, and prior familiarity with the parenting concepts. Pace yourself according to questions and needs of the group. The subsequent session is used to troubleshoot any questions or problems and show the remaining vignettes on that topic.

The following outline is a suggested guideline for completing the entire program in 9, two-hour weekly sessions. Do not omit any of the vignettes listed below. If you do not complete all the required vignettes in a session, you can continue showing them in the next session. For large or very talkative groups you might find it takes longer to complete the program.

If you are combining the Program 5, 6 & 7 with Basic Series, show it after Program 9 and 10 (or Basic Program 1 through 4).
