

WALLY PROBLEM SOLVING TEST

Adaptation for IES WINGS Evaluation

Before you begin, ask the child who they live with and if they have any brothers or sisters. Use child's answers for questions 2, 3, 5, 9, 11.

#1. You ask another friend to play with you and she says no. What do you do?

If child does not respond say [Guess what to do](#)

#2. You broke your mom's cell phone. What do you do?

#3. Your sister started teasing you and you teased her back, then you got in trouble. What do you do?

#4. Someone at school is always teasing you. What do you do?

#5. You really want candy in the store, but your mom won't let you have it. What do you do?

#6. You ripped your new pair of pants. What do you do?

#7. Another child calls you a baby for crying. What do you do?

#8. You are lonely and want to play with the other kids on the playground. What do you do?

#9. Your cupcake is gone and your cousin has cupcake on her mouth. What do you do?

#10. You and your sister both want a cookie but there is only one. What do you do?

#11. Your teacher is mad at you because you didn't come inside on time. What do you do?

#12. A little kid started hitting you. What do you do?

#13. This boy had been playing with the basketball for a long time and you wanted to play with it. What do you do?

#14. A new kid just moved in near you and you want to meet them. What do you do?
