

Child's Name: _____

Date: _____

Write two examples of setting up an ABC learning opportunity for your child to practice a target behavior.

Setting/Activiy	Antecedent (A) What happened first?	Behavior (B) Child's behavior	Consequence (C) How did you respond?
<i>Example:</i> Play time before dinner	Father: Shows son the balloon and holds next to his face for eye contact. Prompts: You can say, "Please balloon."	Child: "Please balloon." (teaching verbal asking behavior)	Father: That's friendly to say "please can I have the balloon" and gives boy the balloon.
